On the issue of jurisdiction, aside from the deficiency judgements that will come later, venue and jurisdictions are proper for I do not go to Court, ~~to~~ Courts come to me upon my inviting them. In addition to cited on prior writings on jurisdictions, the following must be included:

- (1) I am medically treated in Alaska.
- (2) My Security and Safety Concerns.
- (3) Alaska has jurisdiction over Complaints at this time.
- (4) Writ jurisdiction and arbitration clause.
- (5) Diversity jurisdiction Exist.
- (6) U.S. used others for Abominable Acts.
- (7) U.S. Committed Genocides and fraudulently take Properties ~~(8) I was phys~~
- (8) I was physically injured by U.S. et al.
- (9) I was locked up in California jail for 5 months and other lock-ups for no app and released on the streets for no apparent reasons.
- (10) I was physically mutilated and very seriously injured with a skate board as I was opening the door to my apartment in San Bernadino. Authorities were notified before and after the ~~assault~~ deadly assaults and they did absolutely nothing.
- (11) I am a citizen of the entire Universe and a citizen of Alaska -- "The last/final frontier".
- (12) I was grossly injured in West Africa by the so called Nigerians, in California and in New Jersey by police officers and the tugs that they hired in New Jersey Prison where they secretly placed after they forged medical reports.
- (13) Qui Tam - My separated family was a Government of its own.
- (14) My family do not pay taxes. Taxes can not be paid by victims of manlike creations and never to humans! Only criminals involved must pay taxes accordingly to contain their crimes. What they do, what they did? And what they should have done? What they know? What they knew? And what they should have known?
- (15) My usable money must be released to me quickly and IRS will and ~~not~~ ~~be~~ ~~against~~ me.

On California Governor — Dukemegan

ie Duke me' jan u = Dukes go into hiding  
Now its Dukemeputan-u = Dukes make your presence  
Known.

Per Wilson Churchhill Vs Wilson Woodroffe  
"Never in the history of mankind has so much to so  
many to so few".  
Now its Never in the history of mankind has so few  
to so many to so much. <sup>as always isolated islands etc.</sup> A lot are living underground and

You have created all these ~~206~~ > 234 Billions alive  
manlike to sit on the land/properties for you,  
now that ~~its~~ it has all failed, what are you  
going to do with them? All about you are abominable  
and as always, you are very very bad.

As I have told you, remembrance of all possibilities,  
you will and must Vanquish/leave/vacate -- the World/  
Earth Now! Absolutely no dangers left behind and you  
are not to create any trouble nor make problems  
where you came from/home! You will and must  
Searve/Complete all penalties. You came to the  
world empty handed and empty handed you must leave!!  
Your abominable behavior must extinct. You will and  
must do as instructed now before it gets too late.  
Move/leave now damn it! For GOD'S Sake leave now!!

Your Weapons were made after me. You have nothing  
<sup>(Passed through the body including bones with ease)</sup>  
for weapons like plutonium were developed about

May/June 1978 when I was published as the Worlds best in  
Physics World Class Physics journal. Give up it is  
a complete hopeless situation. And in Medicine Septe  
mber 1979 Special edition. You cannot fight what  
you can not see. When two opposing forces collide,  
the resultant of the forces goes towards  
of that with greater force. Your chance for otherwise  
does not exist.

\* The Core of your Industrial Revolution was Human Creation  
\* Country groups like Nigeria will and must drain all lagoons,  
rivers and water ways that they used foreign trash to fill.  
I brought Heavy equipment Caterpillars from the United States  
to drain them but to no avail. Swamp Street — Mba road —  
Marina <sup>(I distributed citations that closed the Nigerian</sup>  
municipal Council got to no avail. They are selling land outright  
that I saved from dumping, yet to no avail. They are selling land outright

Blacks/negroes were last to be distributed in Africa and distribution is now made through the military - "military redistributions centers" like the one around "Charity Hospital" Oshodi, Lagos, Nigeria. They are redistributed <sup>by military</sup> as they arrive. I was in all the continents and saw all first arrivals who ~~took~~ <sup>archived</sup> my personnel. Blacks were one of the last group to arrive in Africa and they are still arriving.

Aside from complete evaluation of mankind from the World and all acquired lands, the GODS and Lords will and must shot down all factories of human/manlike creations and drastically reduce their reproductive rates. This is urgent and must be immediate and absolutely their orders of "give us liberty or give us death" must not be tolerated. At least such liberty will and must not predominate in any way shape or form. The abominable behaviors of createds and their owners will and must extinct immediately. <sup>And</sup> Now! <sub>plus prejudged and</sub>

All judgements/judged of crimes must be paid and so rendered. Biblically, you were told that towards ~~in~~ the end, a Jesus will rise up to judge the living and the dead, I was conceived at Christmas or December 25<sup>th</sup> ~~at~~ of 1954 and delivered on September equinox of 1955 by your most Royals. The word "Jesus" is ~~only~~ <sup>as agreed</sup> a title and "Festus" ~~is~~ <sup>the people to hear</sup> means a judge in one of the ~~Ancient~~ <sup>ancient</sup> languages. I was given "Festus John Okwudili Ohanu" in Bethelhem by your highest Judges and we separated until "Woodside Hospital" <sup>England</sup> in February of 1994 when I separately met them and those of your World Court. Although a little child then, I looked far older than all of them in February of 1994. It was the World Court Judges that escorted me to West Africa where I remained until February 1976 when I ~~came~~ <sup>returned</sup> to America. And again February of 2016 <sup>My</sup> Presentations to the National Boards are in February and 1/2 in June. My body and all opportunity costs (the real cost of everything) must be reconditioned. I worked as a physician in Cadigan Ward of Woodside Hospital <sup>England</sup> at childhood ~ 4-5 years of age. They took a scan of my brain at Middle Sex Hospital to detect my implanted electronic electrode implant - that's why I did not leave with them! They returned ~~to~~ <sup>to</sup> ~~me~~ <sup>me</sup> ~~on a ship and~~ <sup>on a ship and</sup> ~~on a train from North to South of West Africa 1961~~ <sup>on a ship and</sup> ~~independence~~ <sup>independence</sup>.
